OPPORTUNITIES ON THE HORIZON

2016 CALENDAR

Registered Charity No. 1149992

The High Tide Foundation is a registered charity, created and driven by port-related businesses to provide opportunities for the young people of Teesside.

Summer Scheme Graduation 2014

“The best part of my job is getting to work with all the fantastic young people in our community. The support our members have given has been overwhelming. I can’t wait to see what 2016 brings!”

Rotterdam 2014

“It was an amazing opportunity to meet the Harbour Master and his team and learn about the management of the river. This has been so educational, not only to the students but also the teachers as I myself had no idea of what really went on down here. This is great knowledge that I can take back with me and share with the other students.”

Cadetship Graduation 2015

“In May I got chosen to be involved in the OYT Sail training voyage. I learnt a lot from this experience such as team building skills and meeting new people. It was a great experience. I really enjoyed it and would love to become a volunteer. Also in August I got the pleasure of doing a week’s work experience at PD Ports which I learnt a great deal from. I will be enrolling for this year’s work experience weeks this year too.”

Tall Ships Voyage

“My son was chosen for one of High Tide’s fantastic programmes. On his return he was so excited telling me all the things that he had done on the journey such as traveling on the P&O ferry, the castle in which they stayed for one night, driving the boat and going to the strip mill. I was so pleased that he enjoyed the trip and I hope that visits like this take place again for other students as it is great experience for them as it was for my son.”

“I joined the High Tide Summer Scheme in hope that it would give me an extra step towards getting a job in the future. After having my work experience for a week with Lauren running the charity, she offered me the role of an apprenticeship working with her and the High Tide team which I was so grateful for and was not expected!”

“The High Tide Foundation have given both staff and students a fantastic opportunity to see just what is available in our area. We read so much about the negative aspects of Teesside - however High Tide positively champions the future of our area for our young people. If as staff you get the chance to take part in ‘Educating the Educators’ please take it as this fantastic programme gives real insight into the career opportunities and the businesses that are in the area around the tees.”
