OPPORTUNITIES ON THE HORIZON

Hello Fundraiser!

Firstly, we would like to say a huge thank you for supporting us and raising funds to continue all of our hard work with the young people across Teesside. We have created this pack in order to support you along every step of the way.

We bring together industry and education across Teesside to provide an insight into how businesses operate whilst developing skills and showcasing employment opportunities.

Our aim is to improve learning and employment opportunities whilst raising aspirations for young people across the region through our unique work experience and industry-led skills programmes.

Using the river as a connecting theme, we bring together industry and education to increase the awareness of port-related industries and the many career options available to local young people.

Please find in this pack some great ideas with materials which we hope will help.

Thanks again and good luck! From everyone at The High Tide Foundation.

CAKE SALE

To help you raise a bit of money, why not try a cake sale? Everyone loves cakes after all! No sale is complete without any of the classics – brownies, cupcakes, cornflake cakes... or why not go big with a Victoria sponge cake or even a pie?!

Not everyone likes to bake but why not get friends, family or colleagues to help you?

Use our poster to advertise the sale, and share the event on your social media. (Don't forget to tag us!)

Think of a busy time of the day and a location where everyone will go!

Think of a reasonable price such as 50p, £1, £1.50. This is to make it easier when it comes to the customer spending!
