Charity partner
for 2018

We have exciting volunteering opportunities in marketing, digital marketing, PR and event management.

To support the Foundation's full time programme team, our Marketing Committee, and marketing agency partner (Better.), we're looking for volunteers to work at the Foundation to help develop a marketing plan, manage marketing/PR activity (programmes, graduations, members, success stories, fundraising), manage social media and event co-ordination.

This is a great opportunity to develop work experience in marketing and build your network within a high profile Foundation with Marketing Committee and marketing agency partnerships.

About High Tide:

High Tide is helping to change the future for young people across Tees Valley. Established over 5 years ago we deliver a number of programmes which aim to inspire Young People from across the Tees Valley region, help improve access to careers and increase the understanding of the diverse job opportunities in our area. From accountancy and automotive to media and manufacturing, our programmes provide real life work experience and offer genuinely unique and life-changing knowledge, experience and opportunities for young people.

Applications and Information:

If you're interested in applying for volunteering with us please get in touch with Lauren, our General Manager, on lauren@hightidefoundation.co.uk or 01642 233597.
