**£30
Per Person**

We are delighted to welcome award winning radio presenter and producer, Julie Donaldson as host, and guest speaker Christina Easton.

Christina is the founder of Interior Design Studio, LillianDaph, based in Saltburn-by-the-sea.

Often wondering why 'The North' is perceived as left behind or uninterested in design, LillianDaph is built on the metaphor that as humans, 'We don't know that we want the cake until we see it on the counter.' Through LillianDaph, it is Christina's aim to show you options you may have never considered.

Enjoy drinks on arrival and the chance to browse a range of stalls from unique local businesses. We do hope you can join us on what promises to be a fun-filled and relaxing afternoon.
