"Pitching the business to the panel was my favourite part of the business workshop because I built my confidence to go on stage."

Jack, Y9 at Eggescliffe School

"The speakers and staff were very kind and helped us all build a better understanding of the world of engineering. This was an insight I doubt I could have gotten anywhere else."

Callum, Y10 at Unity City Academy

"My experience with High Tide was an amazing opportunity to meet very influential people who have helped me to gain confidence and skills I will take with me for the rest of my life."

Chloe, Y9 at Reintegreat Academy

"I learned a lot today from our visitors. I really appreciate them taking the time to come in and speak to us."

Lucia, Y10 at Unity City Academy

"I thought the placement was very insightful and helped me broaden my mind to new options within the industry that I didn't know existed."

Hannah, Y10 at Eggescliffe School

"My favourite part of this session was creating my own business idea in my group because I learnt how to actually get the ideas."

Ariana, Y9 at Eggescliffe School

"Providing opportunities like these Sector Weeks for students helps them see what is out there and wasn't around when I was in school."

Employee, AV Dawson

"Many of the students don't understand the number of local opportunities on their doorstep, so it's really important to show them what's going on in our businesses."

Employee, Better Brand Agency

"This has been so educational, not only for the students but also the teachers; I had no idea of what really went on down here."
